## Please read our policies entirely before you enroll your child into our program.

We cannot make exceptions to our policies under any circumstance, so please feel free to call the Center Director with any questions. Each Doodle Bugs! center operates independently and programs vary by location. Doodle Bugs! reserves the right to modify center policies and tuition rates when necessary. Parents are responsible for maintaining a current copy of the center policies; copies are available online and at the center.

## DAYS AND HOURS OF OPERATION

### CENTER HOURS

- Our center is open Monday through Friday, from 7:15 am to 5:30 pm.
- Children must be picked up by 5:30 pm. A late fee of \$10.00 is assessed every 10 minutes, beginning promptly at 5:30 pm. The late pick-up fee will be automatically charged to your account.

### EXTENDED CARE

- Tuition rates include a maximum of 10 hours of care per day. \$10 per hour will be billed to your account if you exceed the 10 hour maximum.

### HOLIDAYS

- We are closed on the following holidays:  
Staff Development Day (Friday before Labor Day), Labor Day, Thanksgiving Day, Friday after Thanksgiving, Christmas Eve, Christmas Day, New Year's Day, Memorial Day, Independence Day.
- We will close at 1:00 pm on New Year's Eve.
- If the holiday falls on a weekend, we will be closed on the closest regular workday.
- Tuition accounts will not be credited for holidays. This policy is standard with most reputable child care centers in the area and reflects the center's ongoing operating expenses.
- The School Age Program follows the Victor Central School District calendar for pre-planned closings.

### WEATHER & EMERGENCY CENTER CLOSINGS

- In the event of inclement weather or other emergency situation, every effort will be made to keep the center open. If the center must close, we will provide notification via Tadpoles. It is the parent's sole responsibility to keep all emergency contact information up to date.
- While it is impossible to anticipate every circumstance of a potential emergency, we do have the following general guidelines in place:
  - **At all times:**
    - In the event of a utility outage (power, gas, and/or water) prior to 7:15 am, the opening of the center will be delayed.
    - If still without utility service at 11:30 am, the center will remain closed for the day.
  - **During the winter months:**
    - In the event of a utility outage during normal business hours, the center will announce its' decision to close after 30 minutes.
    - Parents will be notified by phone and required to pick up their children.
  - **During the summer months:**
    - In the event of a power outage during normal business hours, the center will remain open. As a courtesy, parents will be notified after 60 minutes.
    - In the event of a water outage during normal business hours, the center will announce its' decision to close after 60 minutes. Parents will be notified by phone and required to pick up their children.
- If a classroom or our center closes due to the weather, utility outage, or emergency situation, regular tuition charges will apply. For closures which extend beyond 7 days, 50% of regular tuition charges will apply. This policy is standard with most reputable child care centers in the area and reflects the center's ongoing operating expenses.
- If the center needs to be evacuated in an emergency, we would relocate to the DiMarco owned facility at 7375 State Route 96. Parents would be notified via Tadpoles™.

## REGISTRATION & PAYMENTS

### INITIAL REGISTRATION

- Upon registration, your account will be billed a one-time registration fee and a security deposit.
- Payment of the registration fee and security deposit is due upon registration and is required to secure your child's enrollment in our program.
- Payment of the first week's tuition is due by the Friday prior to the first week of attendance and is required to begin attendance.
- If you decide not to begin enrollment and fail to notify your center prior to the Thursday before your start date, your account will reflect charges applicable to the 2-week notice.
- Upon registration and throughout enrollment, parents must notify the center in writing of any special needs, including but not limited to allergies, medical conditions, dietary restrictions and disabilities; such knowledge is necessary to provide proper care for your child.

**ANNUAL ENROLLMENT**

- Annual enrollment is required for School Age programs. Enrollment contracts are distributed in February and must be returned by the specified deadline to secure enrollment for the upcoming academic year.
- After submitting the Enrollment Contract, if you decide not to begin Fall enrollment, your security deposit will not be refunded.

**SUMMER CAMP REGISTRATION**

- **Children enrolling for kindergarten for the upcoming school year through age 12 are eligible for Summer Camp enrollment:**
  - Pre-select a summer schedule which meets your family's needs for the summer by completing the Summer Camp Enrollment Contract (ages 5-12). Return the Summer Camp Enrollment Contract to the Center Director, with your child's first week's tuition and the appropriate security deposit.
  - Your security deposit is an amount equal to the weekly tuition rate for your first and last week of attendance.
  - There is no registration fee for Summer Camp.
  - Enrollment termination requires a two week notice. Failure to provide proper notice will automatically forfeit your security deposit and tuition charges still apply.
  - Summer Camp tuition may be paid weekly, biweekly, or monthly as long as it is in advance. Payment is due by the Friday for the up-and-coming week.
- **Optional summer holding fee:**
  - Families have the option of paying a "holding fee" equal to 50% of their current tuition rate during the Summer Camp weeks, if they do not plan to attend for the summer. The Holding Fee Agreement must be signed by March 31st to select this option and guarantees your spot for Fall enrollment.
  - If your child attends full-time and you wish to change to part-time (MWF or TTH) for the Summer Camp weeks, the charge will be the regular tuition for the days attended and a holding fee equal to 50% of the difference between part-time tuition and full-time tuition.

**PAYMENTS**

- **Tuition is due in advance:** Tuition may be paid weekly, biweekly, or monthly as long as it is in advance. Payment is due by Friday for the up-and-coming week. If your payment is late, a late fee of \$10.00/day will be automatically charged to your account.
- **Automatic ACH Payments:** For your convenience, we accept ACH debits from checking accounts, savings accounts and flexible spending accounts. By enrolling in 'Automatic Payment' you are agreeing to have your account automatically debited on a weekly basis. Enrolling in 'Automatic Payment' requires completion and submission of the 'ACH Debit Authorization' form, providing a voided check, and compliance with all terms out-lined therein. ACH payments returned unpaid from your bank will result in a \$45 Returned Item Fee billed directly to your account. Appropriate late payment charges will also apply. The Center Director reserves the right to require you to make future payments by cash, money order or certified check.
- **Credit Card Payments:** For your convenience, you may choose to enroll in our automatic weekly payment program. Our administrative office will charge the appropriate tuition amount each week to your credit card\*. Authorization forms are available at the front desk.
- **My Procure:** Mobile, online credit card\* payment option. See the Center Director for additional information.
- **Account Receipts and Statements:**
  - **Current Account Information:** You may view your payment account on the check-in monitors when signed in as 'Primary Guardian'. For record keeping purposes, the person who signs the enrollment contract is designated as the 'Primary Guardian'. You may also request printed weekly and/or monthly statements.
  - **Past Account Information:** You may request a year-end statement for tax purposes, given that your account is paid up to date.

\*Those paying by credit card will be subject to a convenience fee.

## VACATION DAY CREDITS

- You will receive vacation day credits to use towards pre-planned absences. One vacation day credit equals 50% of your average daily tuition rate.
- Families who begin attendance prior to November 1st will receive one week of vacation day credits on November 1st and an additional week of vacation day credits on April 1st.
- Families who begin attendance after November 1st but prior to April 1st will receive one week of vacation day credits on April 1st.
- Any unused vacation day credits expire each year on October 31st .
- A “week” is considered the number of days your child is contracted to attend in a typical week. For example, if your child is enrolled three days per week, one week equals three vacation day credits.
- Only one vacation day credit may be used per day.
- Vacation day credits cannot be applied to an account balance.
- The number of available vacation day credits will be prorated with approved schedule changes.
- If you withdraw from our program, your available vacation day credits will expire on your child’s last day of enrollment.
- After your vacation credits have been used, your account will not be credited for any additional absences.
- School Age children do not receive vacation day credits, since we do not charge tuition for the pre-planned closures on the district calendar.

### HOW TO APPLY THESE CREDITS

- If you are planning a vacation, please complete a Vacation Credit Form at the center and place it in the tuition box.
- Vacation credit slips must be submitted at least two weeks before your vacation to receive a tuition credit.
- Your tuition account will be credited the week after your confirmed absence.

## GENERAL CENTER POLICIES (Listed Alphabetically)

### ABSENCES

- We provide vacation day credits with proper advance notice as outlined in the Vacation Policy section.
- We do not provide tuition refunds or reductions for absences due to illness or other reason. This policy is standard with most reputable centers, given that centers’ operating expenses remain constant.
- As a courtesy, we request that you call the center to inform us if your child will be absent. Your notification allows our teachers to begin the daily activities on time and eases our concern for your child’s well-being.

### ADDING & SWITCHING DAYS

- You may add additional days to your child’s schedule, provided that space is available and your account is paid up-to-date. Please call the Center Director as soon as you know that you will need child care for an additional day. If you add a day, your account will be charged the appropriate tuition fee. Refunds will not be given should your child not attend on this added day for any reason.
- Switching days cannot be permitted, as it is difficult to schedule teachers, plan menus and run an efficient center.

### ALLERGENS

- Doodle Bugs! cannot guarantee an environment free of any allergens, including peanuts, peanut oil and peanut dust. It is impossible to control the peanut residue that can linger on children’s hands, on classroom furniture, or on items that children bring from home. We do attempt to minimize the risk of allergen exposure by:
  - Prohibiting the sharing of food or utensils;
  - Requiring store-bought treats/food items with ingredients listed, and
  - Washing and sanitizing tables where meals are served.
- Parents of children with allergies should consult with their physician and with the Center Director to properly assess the child’s needs, and his/her ability to participate in the Doodle Bugs! program. Students with allergies must have an ‘Allergy Action Plan’ on file.

### ALLERGY AND ANAPHYLAXIS

- *Anaphylaxis Prevention*
  - Upon enrollment and whenever there are changes, parents/guardians will be required to provide the program with up to date information regarding their child’s medical conditions, including any allergies the child may have and any emergency medications prescribed for potential anaphylaxis. The parents/guardians will work in conjunction with the program and the child’s physician to complete the documents required for any allergy that the child may have. These documents will guide all staff in the necessary actions to take during an allergic or anaphylactic reaction. The program will keep these documents and any emergency medications in a designated area known to all staff members as outlined in the program’s healthcare plan and will ask for updated paperwork when necessary.
- *Documents*
  - Any child with a known allergy will have the following documents on file when applicable:
    - NYS OCFS form 7006 - Individual Health Care Plan for a Child With Special Healthcare Needs or approved equivalent
    - NYS OCFS form 6029- Individual Allergy and Anaphylaxis Emergency Plan or approved equivalent
    - NYS OCFS form 7002 - Medication Consent Form or approved equivalent

## GENERAL CENTER POLICIES (Continued)

### ALLERGY AND ANAPHYLAXIS (continued)

- These forms will be completed by the child's parents in conjunction with the program and the child's physician. In the event of an anaphylactic reaction, staff will call 911 and follow the instructions outlined in these documents.
- **Staff Training**
  - All staff members will be trained in the prevention, recognition and response to food and other allergic reactions and anaphylaxis upon hire and at least annually thereafter. In addition, at least one staff member will complete the required NYS training on allergies and anaphylaxis. A number of staff will also maintain certifications in CPR & First Aid and medication administration. If a child with an allergy requires the administration of Epinephrine or other emergency medications, the parents will be required to train any staff member caring for that child on the administration of the prescribed medication.
- **Strategies to Reduce the Risk of Exposure to Allergic Triggers**
  - Each classroom will have a posting with a list of individual children's allergies that is visible to all staff and volunteers caring for the child. All staff will take steps to prevent exposure to a child's known allergy, including but not limited to reading food labels. Handwashing, cleaning and all other regulations related to allergies and anaphylaxis as outlined in the OCFS Childcare Regulations will be followed by all staff and volunteers.
- **Communication**
  - Upon enrollment of a child with a known allergy, all staff and volunteers will be made aware of the child's allergy and associated medication needs, as well as ways to reduce the risk to exposure to said allergen. In addition, all parents and children will be made aware of any allergies in the classroom, as well actions being taken to reduce exposure. Confidentiality will be maintained when discussing any child's allergy with parents and other children.
- **Annual Notification to Families**
  - Families will be given a copy of the program's Allergy and Anaphylaxis Policy upon enrollment. This policy will be reviewed and updated annually. Families will receive an updated copy of this policy annually and whenever changes are made.

### ARRIVAL & DEPARTURE TIME; PICK-UP AUTHORIZATIONS

- Your child must be escorted into the building every morning, signed in and taken to the appropriate classroom. Please hang up your child's jacket and remove his/her boots when entering the classroom.
- Your child will be released only to those persons specified on the signed parental agreement form; valid photo identification is required. No person under the age of eighteen, including family members, may pick up your child from the center.
- In shared custody or divorce situations, parents should provide a mutually agreeable list of persons authorized to pick-up. If a mutually agreeable list is not provided, Doodle Bugs! will allow parents, stepparents and grandparents to pick-up, unless otherwise prescribed by the court of jurisdiction.
- Parents are responsible for keeping their pick up authorization information up-to-date. The center must also be notified in writing if someone other than those authorized will be picking up your child from the center.
- When leaving, please sign out your child and take his/her belongings home (art projects, notes and toys from home).
- After signing out, you are welcome to stay and enjoy our center with your child, however you assume complete responsibility for your child's supervision when doing so.
- Arrival and pick-up times often become very busy. Please make an appointment with the Center Director, for lengthy discussions concerning your child.
- Our parking lot can be a busy place at certain times of the day. Please help us in providing a safe environment by holding your child's hand at all times and driving slowly in our parking lot.

### BABYSITTING AFTER HOURS; HOLD HARMLESS; PROCUREMENT FEE

- We discourage our employees from making babysitting arrangements with enrolled families.
- If you enter into an agreement with a Doodle Bugs! employee to babysit your child outside of our center:
  - You understand that the sitter enters such agreement as a private citizen and not as an employee of Doodle Bugs!.
  - Doodle Bugs! does not assume any responsibility for its employees in any such agreement.
  - You agree to hold Doodle Bugs! harmless for any action which results from such arrangement.
  - If you enter into an independent child care arrangement with a Doodle Bugs! employee during your child's enrollment period at Doodle Bugs! or within 6 months thereafter, and this arrangement results in our employee leaving our company, you will be billed a \$2,500 procurement fee (finder's fee). You also agree to the conditions set forth above.

### BEHAVIOR MANAGEMENT

- Doodle Bugs! is committed to the well-being of each and every child. In order to provide a safe, loving, and stimulating environment for all enrolled children, we expect a reasonable degree of cooperation from each child and parent. We believe every child has the potential to learn appropriate behavior within a high quality learning environment, with guidance from their teachers and opportunities to practice appropriate behavior.
- Our position is influenced by the Pyramid Model, which is developed using evidence based best practices in early childhood. It is focused on building positive relationships, developing nurturing environments, teaching social skills, empathy and emotional vocabulary, and providing individualized supports when needed. Teachers are also trained to utilize reasonable consequences. This means that the consequence is directly related to the action such as helping to tape a book that was ripped. This helps children better understand the effect of the behavior and how to best resolve it.

## GENERAL CENTER POLICIES (Continued)

### BEHAVIOR MANAGEMENT (continued)

- If challenging behaviors recur regularly and typical responses (such as redirection or substitution) seem ineffective, a parent/teacher/director conference will be held to discuss the situation and determine strategies for success. In rare circumstances where there is little or no improvement and a child's behavior becomes a detriment to the group, termination of enrollment may become necessary.
- In all situations, our faculty will partner with you to help your child build competence and confidence in his understanding of our shared classroom rules (Be Safe, Be Kind). We ask that you join us in modeling appropriate positive behavior for all children in our care, use reasonable consequences, and avoid using developmentally inappropriate language or harsh discipline strategies at the center.

### BIRTHDAYS

- Doodle Bugs! is happy to provide everything you need to celebrate your child's birthday at the center. Our 'Doodle Birthdays' program includes: birthday cake, birthday decorations, a doodle birthday t-shirt and a photo of your child enjoying the celebration. There is no charge for Doodle Birthdays.
- Our company policy prohibits homemade treats. You may opt to bring in a store-bought cake or snack. If you opt to bring in a store-bought treat for a special event, we will be happy to send it home with students.

### BITING POLICY

- While biting is a common developmental stage, particularly for toddlers who may use biting as a form of communication, it is nonetheless an unpleasant and unacceptable behavior. Our faculty strives to minimize biting incidents by providing a safe, supervised environment and by empowering children to use more acceptable means of communication. However, despite our best efforts, it is likely that your child may be bitten at some time.
- When a biting incident occurs, our faculty's first priority is tending to the needs of the child who has been bitten and to help the child who bit better understand his actions. Teachers often include the child who bit in their efforts to comfort the child who was bitten to teach kindness and empathy (i.e., by taking notice of their feelings, giving a hug, apologizing when developmentally appropriate, and/or offering an ice pack or cold compress). We will also document the incident on our center's Bumps and Bruises Report, which is shared with each set of parents.
- We do maintain confidentiality in all biting incidents, so the report will not include the name of the other child who was involved.
- If your child bites, our faculty will work with you to try to help your child move past this stage in development. Staff members will work with the child to replace the act of biting with a more appropriate outlet when a child feels the need to bite. However, if the behavior does not improve in a reasonable amount of time, termination of enrollment may be necessary.

### CELEBRATIONS & HOLIDAYS

- Our students are a diverse community of learners. We embrace opportunities to introduce the children to customs, traditions, holidays, and other celebrations that are important to their peers.
- You are encouraged to share your family's experiences with your child's class, and are always invited to participate in our celebrations and events.

### CHILD ABUSE AND MALTREATMENT - IDENTIFYING AND REPORTING

- **Center Responsibilities:** In the event of suspected child abuse or maltreatment, Doodle Bugs! will share information regarding the child and family with the appropriate agencies, as required by various federal and state statutes and regulatory rules. All faculty members participate in 'Identifying and Reporting Child Abuse and Maltreatment' training and are therefore identified as Mandated Reporters.
- **Family Resources:** Reports of suspected child abuse or maltreatment should be made immediately -- at any time of the day and on any day of the week -- by telephone to the New York Statewide Central Register of Child Abuse and Maltreatment (sometimes referred to as the State Central Register or SCR) at 1-800-342-3720. The Child Protective Specialist who answers your call will ask you for as much information as you can provide about both the suspected abuse or maltreatment and the family about which you are calling. Even if you have very little information available to you, please call the SCR. The specialists will analyze the information you do have and determine if it is sufficient to register a report.
- **Adverse Childhood Experiences (ACEs):** Doodle Bugs! partners with OCFS to educate parents about ACEs, Adverse Childhood Experiences. ACEs are stressful or traumatic events, such as neglect and/or violence during childhood. ACEs are strongly related to brain development and a wide range of health problems throughout a person's lifetime. For more information if you or a loved one has experienced ACEs, please visit: [ocfs.ny.gov/ACEs](http://ocfs.ny.gov/ACEs).

### CLASSROOM PLACEMENT & TRANSITION

- Doodle Bugs! accepts children ages 6 weeks through 12 years. Upon enrollment, your child will be placed in the appropriate classroom based upon his or her chronological age.
- For brief periods of time in the early morning and late afternoon, certain age groups may be combined. Please ask the center director for specific information on which classroom your child should be dropped off and picked up from.

### CLOTHING, DIAPERS & ITEMS FROM HOME

- **Infants:** Please provide an adequate supply of disposable diapers and wipes. Additional items should include bibs, ointments, at least two changes of labeled clothing and appropriate outdoor wear.
- **Toddlers:** Please provide an adequate supply of disposable diapers and wipes. You should also provide two changes of labeled clothing and appropriate outdoor wear.

## GENERAL CENTER POLICIES (Continued)

### CLOTHING, DIAPERS & ITEMS FROM HOME (continued)

- **Ages 3-5:** Please keep a complete set of labeled clothing at the center. If you bring home a soiled set of clothing, please replace the extra set the next day. Please provide the appropriate outdoor clothing for each season.
- **School Age:** Please provide appropriate outdoor clothing for each season.
- We use messy art and craft supplies everyday to produce our masterpieces. Smocks are provided, but please dress your child appropriately for everyday art and craft activities. Our products claim to be washable, however Doodle Bugs! is not responsible for damaged clothing.
- During rest time, a favorite blanket and/or stuffed animal is welcome; these items should be small enough to fit inside your child's cubby space. Please launder your child's blanket on a weekly basis.
- Your child may bring in one small toy from home; this item should be small enough to fit in your child's cubby space.
- Doodle Bugs! is not responsible for lost items.

### CONFERENCE OPPORTUNITIES

- Individual conferences with your child's teacher are always available upon request, as are meetings with the Center Director; either meeting can be arranged by speaking with the Center Director.
- We also invite you to take advantage of scheduled conference opportunities with the classroom teacher. The conferences are in November and March for Preschool and Pre-K classrooms and February for Toddler classrooms.

### CONFIDENTIALITY

- Doodle Bugs! respects the right of each family to privacy and confidentiality. If your child is involved in an altercation with another child, Doodle Bugs! will not reveal the identity of the other child involved. This policy is consistent with state child care regulations.
- We will not share information relating to your child and family with unrelated third parties for their marketing purposes.
- Doodle Bugs! may share information relating to your child and family with third parties who provide certain educational programs within our center. These programs include, but are not limited to, Tae Kwon Do (martial arts program) and other enrichment programs.

### DISABILITIES, CHILDREN WITH

- Doodle Bugs! complies with the Americans with Disabilities Act (ADA) and we will provide reasonable accommodations for children with disabilities.
- Doodle Bugs! will make an individualized assessment about whether we can meet the particular needs of the child without fundamentally altering our program. In making this assessment, Doodle Bugs! will not react to unfounded preconceptions or stereotypes about what children with disabilities can or cannot do, or how much assistance they may require. Instead, Doodle Bugs! will speak with the parents or guardians and any other professionals (such as educators or health care professionals) who work with the child in other contexts.
- Doodle Bugs! may exclude children with disabilities from our program if their presence would pose a direct threat to the health or safety of others or require a fundamental alteration of our program.
- The ADA generally does not require child care centers to hire additional faculty or provide constant one-to-one supervision of children with disabilities.
- If special services are required beyond Doodle Bugs! legal obligation, and we choose to provide such services, we will charge the parents or guardians accordingly.

### FIELD TRIPS

- On-site field trips complement our educational program for all ages, and include visits from local cultural organizations as well as magicians, puppeteers and other entertainers.

### FORMS

- Certain Doodle Bugs! forms, including the required medical forms, are available on our website. Visit [www.doodlebugs.com](http://www.doodlebugs.com) to view the forms that are currently available online; all other forms are available at the center.

### GENERAL AUTHORIZATION

- By enrolling your child at Doodle Bugs!, you are granting permission for your child to:
  - Take part in all program activities including the use of all indoor and outdoor equipment.
  - Be photographed or videotaped in connection with daily program activities, and have these images displayed in the center, in social media, in Doodle Bugs! advertisements and promotional materials, in news stories, and used for enrolled families' personal use.

### HEALTH CARE PLAN

- Childcare Centers are required to create and implement a Health Care Plan to protect and promote the health of children in the center. The program's health care plan is available in the Parent's Lounge or at the following link: [www.doodlebugs.com/nys-health-care-plans](http://www.doodlebugs.com/nys-health-care-plans).
- A current list of all faculty certified to administer medication to children as well as those certified in Infant/Child CPR, First Aid and AED is available in the Parent's Lounge.

## GENERAL CENTER POLICIES (Continued)

### HEALTH POLICIES: MEDICAL STATEMENT

- Your child must maintain an up-to-date medical form, which requires a current physical and updated current immunization record for your child. Your pediatrician must use state approved medical forms (available at [www.doodlebugs.com](http://www.doodlebugs.com)). Per NYS Public Health Law 2164, children who do not meet immunization compliance or children who cannot provide an approved immunization exemption will be excluded from care.
- Children with asthma and/or allergies are required to have the appropriate 'Action Plan' on file. The 'Asthma Action Plan' and 'Allergy Action Plan' forms are provided in the enrollment packets; additional copies are available from the Center Director.
- Please note that lead-screening is required at one and two years of age. We recommend that you ask your physician about a lead-screening test for your child.
- It is the parent's sole responsibility to notify the center in writing immediately of any changes concerning allergy and health issues.

- In the event your child becomes sick or injured while at the center, you will be promptly notified by phone. We expect that you will come to the center as quickly as possible to take your child home.

- **Benadryl Policy for infants younger than 18 months of age:** Doodle Bugs! recommends that every infant have a valid State-Issued Medication Consent Form on file for Benadryl or the generic equivalent. - The medication cannot be expired.
- We cannot exceed the dosage indicated on the prescription label and/or the State-Issued Medication Consent Form.
- The exact name of the medication must be written on the consent form, i.e., if the consent form specifies Tylenol, you must provide Tylenol, not the generic equivalent (such as the generic brand of acetaminophen).
- Parents, grandparents and relatives of a child within the third degree of consanguinity of the parents or step-parents of a child may administer medication at the center without the need for the State-Issued Medication Consent Form. A note from the parent authorizing the relative to administer medication is required.
- Our medication policy is consistent with the regulations provided by the Office of Children and Family Services. There are absolutely no exceptions to this policy.

### INFORMATION CHANGES

- It is the parent's sole responsibility to update the emergency contact information and review the financial agreement at least once every six months.
- Please notify the center immediately of any changes concerning allergy and health issues, home address, pick-up authorizations, and home or work telephone numbers.

### LICENSING AGENCY (NEW YORK STATE LOCATIONS)

- Locations in New York State are licensed by the New York State Office of Children and Family Services (OCFS), and operates in compliance with OCFS regulations.
- A copy of our license and current child care regulations, emergency plan and transportation plan are available on site for your review.

### MEALS & SNACKS

- Our company policy prohibits bringing homemade food or treats to share with other children within the center. If you opt to bring in a store-bought treat for a special event, we will be happy to send it home with students.
- Infants: Parents must provide Doodle Bugs! with a written feeding schedule, complete with detailed instructions. Parents must also provide bottles, formula or breast milk, and any necessary baby food; bottles must be filled and ready-to-serve. Please label all food items, including bottles, with your child's first and last name. Per your request, we will provide table food which is prepared in our kitchen, according to the posted menu. No glass bottles or containers.
- We serve breakfast, lunch and afternoon snack. All meals and snacks are prepared in our kitchen, which has been approved by the appropriate local and state agency.
- If your child arrives after 9:00am and needs breakfast, we ask that you inform the classroom teacher. After 9:00am, we may have to serve a cold breakfast (depending on the morning breakfast item).
- Our menu has been approved by a licensed nutritionist and is posted on the parent's board for you to review.
- Doodle Bugs! reserves the right to change menu items as needed. Any changes to menu items will be communicated to parents via Tadpoles. It is the responsibility of the parent to inform Doodle Bugs! if their child cannot be served the item.
- If your child does not like a menu item, we have limited variety of substitutions (sandwiches). Parents are also welcome to bring in a nutritional "brown bag" lunch that does not require refrigeration or heating.
- Our faculty will happily prepare a healthy alternative if health, cultural or religious considerations preclude your child from eating a particular menu item. Please contact the Center Director to arrange for these pre-planned menu substitutions.
- Doodle Bugs! reserves the right to change menu items as needed. Any changes to menu items will be communicated via our parent engagement app. It is the responsibility of the parent to inform Doodle Bugs! if their child cannot be served the item.

### NAP TIME

- Children enrolled at Doodle Bugs! need time during the day to rest and relax. Infants are of course, on individual schedules based on the child's needs and the parents' preferences, but a group nap time is scheduled for all toddlers, preschoolers and pre-kindergarteners, beginning at approximately 12:30pm.
- Children will nap in their classroom, while supervised by teachers. Parents are required to sign a nap time agreement. Some locations may utilize an OCFS-approved waiver for toddler, preschool and pre-k classrooms to allow one teacher to briefly leave the classroom while children are asleep. One responsible adult always remains in the classroom.
- Teachers provide individual cots or mats for the children, and encourage them to lay down with a blanket and comfort item from home.
- Stories, soft music and dim lights help the children with the transition to this rest period. Children who do not fall asleep are provided with quiet opportunities to learn and play, including but not limited to books, puzzles, and art activities.
- Back to Sleep: Infants are placed in cribs, on their backs, to sleep, in accordance with American Academy of Pediatrics recommendations.
- Infants with medical conditions that require other sleeping arrangements must have detailed written instructions from a physician on file.

- Parents are encouraged to visit the center at any time, and pre-notification is not necessary. You may participate in our classroom activities, play with your child on the playground, or have lunch together. - Grandparents, aunts, uncles and family friends are also welcome to visit the center, however we request that you provide us with advance notification. If the visitor is not listed on your child's enrollment application, you must provide written authorization prior to the visit. All visitors are required to provide photo identification.

### OUTDOOR PLAY

- Outdoor play is an integral part of our educational program, contributing to your child's health and development. Children remain inside when the weather is inclement (including extreme heat or cold), but otherwise participate in daily outdoor activities.

Please call the Center Director as soon as you know that you will need child care for an additional day. If you add a day, your account will be charged the appropriate tuition fee. Once your account has been charged, refunds will not be issued for any reason.
- You may make permanent schedule changes with two weeks written notification and Center Director approval. The schedule changes may not be granted in instances when the new schedule conflicts with enrollment waiting lists and typical enrollment patterns.
- Switching days cannot be permitted, as it is difficult to schedule teachers, plan menus, and run an efficient center.

### SCHOOL AGE ENROLLMENT

- **Tuition & Vacation Policy**
  - If your child is enrolled in our Before & After School Program, tuition is only billed for the days that your child's school is open. If you need care on school holidays and recess, please see your Center Director to check on availability and to add these days.

- Centers are equipped with secured keyless entry.
- Each parent will use a 4-digit passcode, which is stored on our computer, to gain access into the center.

### SPECIAL NEEDS, CHILDREN WITH

- If you suspect your child may have an unidentified special need, please ask the Center Director for more information about the early intervention programs available in your area. Early intervention services are usually free of charge, and are designed to help parents of young children (birth - age 3) identify needs and secure appropriate treatment. Similar options are available for older children (age 3+), via the local school district.

### TABLET/INTERNET USE

- The Internet provides an opportunity to explore the vast educational resources available for children. Doodle Bugs! uses hardware and/or software for content monitoring and filtering, which blocks access to thousands of websites, web pages, email addresses, and chat rooms that contain or display offensive language, sexual explicitness, hate themes, or physical violence. Even with the security measures that we have implemented, we cannot guarantee 100% safe access to the Internet. We believe that the chance of exposure to inappropriate material is minimal; however, we must inform you that the possibility still exists.
- You may request in writing that your child be excluded from tablet use at Doodle Bugs!. If you do not express your desire to exclude your child from such use, you agree to discharge Doodle Bugs!, its employees and its affiliates, from any responsibility or claim resulting from the use of the Internet and/or tablet.

### TERMINATION

- Doodle Bugs! reserves the right to terminate any child's enrollment immediately, for falsifying information or any reason that we deem necessary.

### TOILET TRAINING

- As with all other areas of your child's development, Doodle Bugs! will support your child through the toilet training process, and will not pressure you to begin training at a specific age.
- When you observe signs of readiness, please inform our faculty that you are initiating training at home. Teachers will then encourage and support your child's independence by assisting him with toileting at the center. With your cooperation and support of developmentally appropriate practices, we will make every effort to ensure consistency between home and the center.

- Students enrolled in the UPK program and selected in the VCSD lottery process will receive a daily tuition credit from the center's Pre-K tuition for each of the 180 days the program is in session.

## GENERAL CENTER POLICIES (Continued)

### UNIVERSAL PRE-KINDERGARTEN (UPK) (continued)

- VCSD attendance guidelines require a written explanation, signed by a parent or guardian, for any absence from the UPK program. Extended absences may result in dis-enrollment from the UPK program. Families are encouraged to plan vacations in accordance with VCSD school recesses.

This form is available from the Center Director. The Center Director will acknowledge receipt of this form and provide you a copy.
- If you fail to provide at least two weeks' notice as stated above, you will be obligated to pay your child's tuition for two weeks beyond:
